

It's time to start thinking about summer...and if you are in Grades 8-12, plan on spending at least one week of your summer at Mechuwana as a Youth Leader.

## Youth Leader Training Events

Each year 90 to 100 youth become Youth Leaders at Mechuwana. This special programs allows youth to take an active leadership position in our camp ministry.

In order to take part in this program you **must complete** one of the training events. This program is for youth that are serious about learning what it means to become a positive role model in younger people's lives.

At the training you will learn how to work with a team, how to be a leader, and how to handle certain situations that you may encounter at your camp. Come learn important skills, make new friends, and have fun!
