

Join Us for Our Camp Program for Girls!

This program came out of conversations with parents who expressed the need for this type of social interaction for their daughters.

Our goal is to create a community away from negative peer pressure and bullying—one where you can share and develop positive friendships. We hope this program addresses the pressures young women feel in today's world.

We know that these changes cannot come from just one event, so we run three or four events each year to strengthen and promote this supportive community. This weekend's theme is **“Power of a Girl: Connecting influential women from the Bible and how the power of prayer can impact our lives and the lives of those around us.”**

Come enjoy games, art projects, small and large group activities, campfires, and much more! It's a great chance to make friends and learn from each other in this supportive camp environment. If the weather is nice, we will head outside to explore camp in the late winter time.
