

Mechuwana's Winter Camp

Art, Science, & Math

It's time for SNOW much fun at Winter Camp!

We will explore different areas of art, science, and math through activities and experiments. Hands-on opportunities will provide chances to explore and play!

The fun begins on Tuesday morning with games to help us get to know each other. We'll spend the day doing art, science, and math—inside & out! Wednesday morning we'll have breakfast followed by more games!

The Mechuwana Youth Program is a ministry of the United Methodist Church and is open to anyone. Join us for a weekend of Christian fellowship and fun!
