

MECHUWANA

Summer Camp 2022

Hello,

Let me start by lifting up all of the summer camps across Maine and the US that have been forced to close their doors permanently because of the financial hardship of the last two years. There are many camping communities grieving at this time.

I want to express my gratitude and deepest thanks to the Mechuwana family who stepped up to ensure that we remain open and ready to welcome back campers, volunteers, and staff this summer. With God's constant guidance, we are on our way out of this tremendously difficult time and are ready to make more camp memories with you this summer.

I think it is safe to say that the last two years have been a challenge for us all. I am proud to say we have taken on these new unique challenges in ways that only Mechuwana could. When a door was shut, with the help of hundreds of you, and a strong faith, we opened new doors. When there was a huge need to feed families in our communities, we fed them. When people needed shelter, we provided it. When childcare was desperately needed, we were able to provide a day camp for more than 300 children in 2021. We feel we are now able to take another step and open another door, as **we once again prepare to provide an overnight camping experience.**

This will be no easy task. It will take all of us to pull this off. But we are confident that with God's help and our dedicated volunteer staff, we can do it! Things will be a little different, but it will still be Mechuwana.

One of our biggest challenges is that the cost of doing camp has skyrocketed: insurance costs, utility costs, and food costs have gone up for camp as they have for everyone. On top of this, the extra cost that COVID brings, including the loss of tens of thousands of dollars from retreat groups that had to cancel their events at camp, has greatly compounded our financial situation. To address this, we have had to substantially increase the cost of our programs. But, we want everyone to know that thanks to hundreds of people, churches, and organizations that have given so generously to our camp scholarship program, we will **never** turn anyone away from camp for financial reasons.

WE ARE BACK.

WE ARE EXCITED.

AND WE ARE BLESSED TO HAVE THE GREATEST CAMP FAMILY ON EARTH.

See you this summer!

Norm

ADULT SPECIAL NEEDS CAMP

There will be Adult Special Needs Camp this summer! When we had to make the tough decision two years ago not to run summer camp, our Adult Special Needs Camp was already full. We gave those campers the option of having us hold the funds they had already paid us in the hopes we would have camp again soon. So many campers took us up on that offer that **we are already full for this summer.** (2022)

Due to COVID guidelines, we are only able to offer camp to 40 campers this year. *This is fewer campers than were registered and accepted for 2020.* We will do our usual camp activities — boating, swimming, arts 'n crafts, worship, kickball, and a dance. Camp will start on Sunday, and we will end our time together on Thursday after lunch with our talent show. We are looking forward to seeing everyone. It is our sincere hope that we can return to a more normal

summer in 2023.

ELEMENTARY (PLUS) MUSIC THEATRE #12

For campers finishing Grades 3-7

Last year, we celebrated with the revival of a musical from 10 years ago. Now another year has passed, and we'll be reviving another show! This year Elementary (Plus) Music Theatre Camp will present "The Machine (The Reboot)." It's a story about a crazy professor and his/her assistants who build a machine that can turn people from what they are into what they want to be. There are some funny neighborhood characters, a team of news reporters, and even an inspector from the Environmental Protection Agency. In the end, they all learn an important lesson that the power to change comes from within each one of us and not from a machine. Come to Elementary (Plus) Music Theatre Camp and you will be part of this revival show with acting, singing, dancing, and more. And of course, there will be all of the usual camp stuff like swimming, boating, arts and crafts, and lots of special activities planned just for us. Come to Elementary Music (Plus) Theatre Camp and be part of "The Machine (The Reboot). Performance at 6:30 p.m. will conclude our wonderful week together.

Mechuwana Camperships

We believe that no camper should be denied the opportunity to come to Mechuwana for financial reasons. Over the years, local churches have worked hard to provide financial assistance for their campers. Mechuwana also supports that effort with camperships for families in financial need. If you need assistance to send someone to camp, please contact us at the camp office to ask for a scholarship application.

Credit Card Payments Accepted

We accept payment via Visa/Mastercard/Discover. To pay by credit card, please call Carol at the camp office anytime Tuesday through Friday between 9:00 a.m. and 4:30 p.m.

Support Camp Mechuwana One Can or Bottle at a Time

CLYNK helps turn your recyclable cans and bottles into cash for Camp Mechuwana. This has been one of the most successful fundraisers Mechuwana has ever done. We provide the stickered CLYNK bags. Then you fill them with your returnable bottles and cans and return the bag to a participating Hannaford store (most Hannaford stores in Maine have the CLYNK program). This program provides an average of \$3,000 each year to camp.

Mechuwana's Mission Statement

It is the purpose of Camp Mechuwana to complement the local church ministry by providing a unique Christian setting for persons of all ages for personal growth and experiences, which enhance one's relationship to God, neighbors, and the natural world.

Cover artwork: The pen and ink artwork on the cover are by longtime camp counselor Cecily MacKinnon of Patten. Cecily counseled Jr./Sr. High Creative Arts for many years, served on the Mechuwana Site Committee, and was an enthusiastic supporter of camp's ministry. She passed away in November 2017, and her presence at camp is greatly missed.
