

MECHUWANA

Summer Day Camp 2023

Welcome to Mechuwana Day Camp 2023

This year we are again offering six weeks of **Day Camp** for children ages 5-11.

Each camp session runs from Monday through Friday from 8:30 a.m. until 3:30 p.m. **Registration costs are \$180 per camper per week.**

Day Camp is limited to 30 campers per week.

A Day at Mechuwana Day Camp

Each day, Day Camp campers will participate in swimming, boating, nature studies, crafts, games, story time, campfires, & more.

A Slightly Different Look

Because we are now also running overnight camps, our Day Camps will have their own schedule. They will stay with their group throughout the day.

Day Camp Sessions for Youth Ages 5-11

Camp #1: June 26-30

Camp #2: July 3-7

Camp #3: July 10-14

Camp #4: July 17-21

Camp #5: July 24-28

Camp #6: July 31-August 4

Register early! We expect all camps to fill quickly and won't be able to add spaces for campers beyond those limits.

Lunch Options

We offer two options for lunch. Campers may bring their own lunch or have a lunch provided by camp at no charge. If you would like a camp lunch provided, please let us know in advance to ensure that we have enough meals prepared. If your camper brings their own lunch, **please make sure to display their name clearly on the outside of the bag.**

COVID Guidelines

Again this year we must take extra precautions to ensure the safety of our campers, staff, and volunteers. Some guidelines we must follow in order to offer day camp programming are:

- *Each day* a parent/guardian must fill out a quick health survey on their camper (we hope to offer an online version as well as a paper version).
- Pick-up and drop-off location will be near the basketball courts at the top of the road. Counselors will meet campers there, and parents/guardians will pick up campers at the same location at the end of each day.
- Campers will be assigned to a small group with whom they will stay for the day. Each small group will have its own counselors. Once a camper is assigned to a small group, that's their group for the week.
- As we get closer to summer, we will assess where we are in regard to when and where masks will be required.
- Handwashing stations will be available and cleaning of common surfaces will happen frequently.
- If a camper shows any COVID symptoms, camp staff will contact their parent/guardian to pick them up. Parents of other youth in that small group will also be contacted.
